## ABOUT ME

*Front End Developer with 3+ years of experience, Full Stack Developer with 1+ years of experience, and over 25 completed websites (AI tools, e-commerce platforms, landing pages, dashboards). Passionate about clean, scalable UI and high-performance applications. Skilled in reusable components, modern architecture, API integration, and optimization. Fast learner, strong communicator, and collaborative team player.*

## EXPERIENCE

### UI/UX Engineer | Axyys

10/2024 – Present  Remote (USA)

- Worked with Magento 2, PHP, React, and Venia UI for e-commerce applications.
- Implemented the Sezzle payment method, developed new UI components, and updated backend modules to support extended functionality.

### Web Developer | Appassion

06/2023 – 09/2024  Chișinău, Moldova

- Built multiple Bubble.io websites and integrated custom code into Bubble workflows.
- Developed full-stack Next.js / React applications using Stripe, Twilio, and REST APIs.

### University Practice | Noction

09/2023 – 11/2023  Chișinău, Moldova

- Developed a Vue.js e-commerce application that scraped and aggregated product data from multiple external websites.

### Internship | JivyGroup

12/2022 – 02/2023  Chișinău, Moldova

- Contributed to a React.js admin panel including charts, reusable UI elements, time-tracking tools, and utility modules.

### University | Technical University of Moldova

2021 – 2025  Chișinău, Moldova

- Studied Software Engineering (English-language program).

## PROJECTS

### HR Tool | | 

- University final project. A React.js platform that unifies internal company tools including dashboards, employee management, gallery, calendar, task manager, chat, news, and document management.

### Mini Reactive Store | | 

- Online store with authentication, Redux state logic, JWT handling, and access control. (Demo works without email/password)

### Bookmark Manager | | 

- CRUD React app demonstrating sorting, filtering, and structured data manipulation.

### Simple Landing Pages

- A collection of landing pages built to practice UI animation, layout composition, and reusable components.
- Clean Dent | 
- Animal Shop | 
- Language Learning Academy | 
- Animal Blog | 
- Fantasy Blog |
